Meaning: (from T.K. Govinda Rao's book)

If you choose to appear before me, will any material wealth of yours be lost? I am conscious that destiny is irrevocable. Will I therefore aspire for anything beyond what I deserve and be disappointed. You know fully well that I never approach any other God. Yet you want to prevail over this weakling your disregard. Is that valour? Devas, even asuras will not appreciate this!

Pallavi:
