Meaning: From TK Govinda Rao’s Book:
I am protected by Lord Subrahmanya, possessing eighteen eyes and he is immeasurable.
Whose feet are worshipped by Prabra Vaama etc. He gives delight to the heart of Indra.
Who resides in KANKASHAILA (kazhukumalai) is the form of bliss. He is the beloved of Valli and Devasena. He is of the form of the primary syllable (Om) and of bliss. He is the bestower of enjoyment and salvation. The eternal one who manifests as the name and form of Venkateshwara (worshipped by the king called Venkateshwara). Whose great festival is celebrated in the month of Vishaka. He is Guruguha, who disclosed the secret of Suka. He is the son of Krittika and has blemishless glory.
